The event will take place on Saturday, September 10, 2022 from 2p-6p @ the Bo Diddley Pavilion 114 N Railroad Blvd. McComb, MS 39648. This event will be focusing on the coordination of care and the importance of total wellness in our communities. The goal of this event is to raise awareness of the many resources that are accessible through our various programs & organizations.

This event will be an opportunity for all involved to showcase the products and services they provide and to connect with the public on an individual basis. We expect people to attend from neighboring cities and counties who need these services or who want to get information on what we all can offer.
