A CLEAR PATH TO WELLNESS AND RECOVERY

ALL HEALTHCARE MATTERS

Health & Wellness Fair | September 10, 2022

SW MS Mental Health Complex
1701 White St., McComb, MS 39648
aclearpath.org | 601-684-2173

Dear Potential Sponsor:

Exciting things are happening at SW MS Mental Health! The need to create an environment of Coordinated Care for clients across all disciplines of service is steadily increasing in the communities we serve. In response to this growing need, we are planning an event that will bring together providers from across a broad spectrum of care.

SW MS Mental Health, in partnership with the City of McComb, will be hosting a "All Healthcare Matters - Health and Wellness Fair" on Saturday, September 10, 2022 at the Bo Diddley Pavilion 114 N Railroad Blvd. McComb, MS from 2 - 6 p.m. We are requesting that your company joins us in our mission by becoming a corporate sponsor. Your support will enable us to continue to grow our programs, coordinate healthcare services, and launch new initiatives that are responsive to the needs of our community. Most importantly, your support would result in an increase in the number of individuals who receive service and gain access to services. The details of the various sponsorship levels are outlined on the attached sponsorship form.

This event will be an opportunity for all involved to showcase the products and services they provide and to connect with the public on an individual basis. We expect people to attend from neighboring cities and counties who need these services or who want to get information on what we all can offer.

This year, we are creating programs and hosting events to focus on coordination of services to provide total healthcare to our communities. It will be important to highlight the collaborative efforts and partnerships that intersect between health care, wellness, and mental health care.

Sincerely,

Sherlene Vince
